

Roche Harbor Marina's July 4th, 2008

Moorage Reservation Lottery

Minimum 3-Day Stay—Thu, Fri, Sat
July 3, 4 and 5, 2008

One entry per vessel only!

Over the years, the demand for the very popular Roche Harbor July 4th moorage reservations in the marina has exceeded the space we have available. Roche Harbor likes to be fair to all our marina patrons and so, after many conversations with patrons, management and owners, we have come up with a fair and applicable solution that we hope will be agreeable to you.

A Moorage Reservation Lottery!

In past years, moorage reservations have been taken during the Seattle Boat Show in January followed by telephone reservations shortly thereafter. This has been a source of frustration for many of you — especially if you were not able to attend the boat show or could not get through on our very busy phone lines. We think this new Reservation Lottery will eliminate the stress of trying to make a reservation and enable us to give everyone a fair chance of attending the celebrations at Roche Harbor. Remember! We do have some "first-come, first-served" Mediterranean style ties that will be available — we don't like turning boats away and pride ourselves in trying our best to accommodate everyone.

If you would like to be a part of the Roche Harbor July 4th Reservation Lottery then please print out this page, cut off the bottom portion, fill out and **mail** in to us **to be received no later than February 10th, 2008**. A Lottery Drawing will take place on the morning of February 11th — after which we will contact each winning entry and follow up with a confirmation letter in the mail.

Thank you — and we do appreciate your understanding...
